Dear Candidates, Political Party Chairs, and Media Representatives:

This booklet contains important information for the 2022 Primary Election. We encourage you to become familiar with the information and to use it as a reference throughout the election season. Please share this information with your assistants and campaign workers who will be responsible for the implementation of election plans and tasks. Visit our website at buncombecounty.org/vote to view voter statistics as well as precinct and district maps.

New for this Election:

- 1. Voting districts were changed for many voters due to redistricting.
- 2. Pursuant to N.C.G.S 163-165.6(c) The State Board is required to randomly determine the order of candidates on the ballot. Candidates whose last names begin with the letter "C" will appear first in contests in the primary and general elections. A subsequent coin flip determined that additional candidates will follow in alphabetical order. G.S. 163-299 (c): The names of candidates for nomination or election in municipal primaries or elections shall be placed on the ballot in strict alphabetical order".
- 3. Five Election Day voting locations have either moved or had a name change. These are noted on the enclosed Election Day voting location list.
- 4. Please help us get the word out about our Early Voting Wait Map and Election Day Wait Count. Voters who are voting during Early Voting or on Election Day can check our website to see how many voters are in line at each voting site or location.

The schedule for Election Board meetings is provided within this packet. All Election Board meetings are open to the public, and candidates, their representatives, and interested citizens are welcome to attend either in-person or virtually.

The Buncombe County Board of Elections and its staff are available for questions. Please do not hesitate to call.

Definitions

Electioneering: Loitering, congregating, distributing campaign material, or otherwise campaigning.

Buffer Zone: Required 50-foot area in all directions from the entrance to a voting place in which there can be no electioneering or media presence.

Voting Place: The designated area that is not more than 100 feet from the voting machines or ballot box. If the voting place is a room or building with an area greater than 100 feet, the area will be marked off by rope or other practical means.

Voting Enclosure: An area inside the voting place. A voting enclosure is the area which contains the precinct officials, tables, voting equipment, voting booths, registration books, poll books, help station, all election related materials, and spaces for qualified observers are located. In the event of a small voting place, the voting enclosure may also serve as the voting place.

Precinct: Geographically designated area that defines the polling place assignments for all voters who reside within the boundaries.

Ballot Style: Individual ballot issued to a voter and assigned by residential address. Due to many combinations of jurisdictions, multiple ballot styles may be used in a single polling place.

Provisional Ballot: Process whereby people whose eligibility to vote cannot be immediately determined are allowed to vote a ballot that is sealed inside an envelope until the Board of Elections staff researches the voter's information to determine eligibility.

Inactive Voter: Status of a voter from whom official mailings have been returned to the Board of Elections.

ExpressVote: A supplemental touchscreen tool with audio capability that if needed, voters may choose to use which assists the voter in completing the ballot. ExpressVote machines are available in every polling place and Early Voting site.

DS 200 Scanner: Optical ballot scanning unit.

VBT Scanner: Handheld barcode scanner unit used ONLY to ensure that the ballot issued matches the ballot assigned to the voter.

Curbside Voting: A designated parking area available at every voting location for voters unable to enter the voting enclosure due to age or physical limitations.

Campaign Signs

General Election Statutes pertaining to the regulation, placement, and removal of campaign signs may be read in its entirety on our website: www.buncombecounty.org/vote.

General Statute 136-32 was rewritten in 2019 and now includes that "Any political sign remaining in the right-of-way of the State highway system more than 30 days after the end of the period prescribed in this subsection shall be deemed unlawfully placed and abandoned property, and a person may remove and dispose of such political sign without penalty".

General Statute 163-129 (d) was added in 2019 and permits candidates at least 36 hours prior to the opening of the voting place and at least 36 hours after the close of the voting place to place and retrieve political advisement. Any political advertising placed outside the times specified may be removed by the property owner.

Using a Cell Phone in a Voting Enclosure

Cell phone use is limited in the voting enclosure except for use as a notepad containing notes that were made prior to entering the voting enclosure. It is ILLEGAL to record a voted ballot or to communicate via an electronic device while voting.

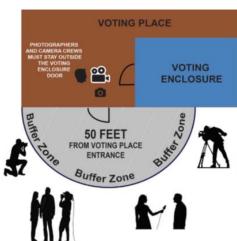

Rules Regarding Media Interviews and Photography/Video

North Carolina General Statute 163-166.4 limits activity within the electioneering buffer zone that may "hinder access, harass others..." These **50-foot buffer zones** are set at polling places and early voting locations, are clearly noticeable, and apply to media.

North Carolina General Statute 163-166.3 limits media access in the voting enclosure as follows:

- (b) Photographing Voters Prohibited. No person shall photograph, videotape, or otherwise record the image of any voter within the voting enclosure, except with the permission of both the voter and the chief judge of the precinct. If the voter is a candidate, only the permission of the voter is required. This subsection shall also apply to one-stop sites under G.S. 163-227.2, 163-227.5, and 163-227.6. This subsection does not apply to cameras used as a regular part of the security of the facility that is a voting place or one-stop site.
- (c) Photographing Voted Ballot Prohibited. No person shall photograph, videotape, or otherwise record the image of a voted official ballot for any purpose not otherwise permitted under law.
 - Members of the media have a First Amendment right to report on matters of public interest, including elections.
 - Members of the media must conduct media polls and interviews **outside** of the 50-foot buffer zone.
 - Members of the media must identify themselves to the Chief Judge when entering the buffer zone.
 - With the cooperation of the Chief Judge, members of the media may take a panoramic photograph or video of the voting place but are not permitted to use a zoom lens that could show the individual voter.
 - Members of the media should be positioned so they will not interfere with, obstruct, or disrupt the voting process.
 Media are not allowed inside the voting enclosure unless they are there to vote or present themselves as a provisional voter.
 - Precinct Officials may provide the number of persons who have voted to the media. Precinct Officials may not leave the voting place to provide this information.
 - After the polls close and all voters have left, the media and public are allowed inside the enclosure but may not hinder the operations of the Precinct Officials.
 - The permission of the Chief Judge and the voter are required for the taking of any picture, video, or other recorded image of a voter inside the voting enclosure.

Absentee Voting

Absentee ballot request forms:

1. Request an absentee ballot

State law requires all absentee ballot requests to be made through an official 2022 State Absentee Ballot Request Form. This form can be found and printed from the BOE website, www.buncombecounty.org/vote or the State BOE website, www.ncsbe.gov or you can pick up the form from the Elections Services office.

2. Fill out absentee ballot request form

Absentee requests must be signed by the voter or near relative (spouse, brother, sister, parent, grandparent, child, grandchild, mother-in law, father-in-law, daughter-in-law, son-in-law, stepparent, stepchild, or verifiable legal guardian). Power of Attorney is NOT granted the ability to request an absentee ballot.

3. Return the absentee request form

Absentee requests may be returned by mail or in person by voter or near relative to the Board of Elections. Forms cannot be faxed or emailed.

OR

1. Complete absentee ballot request form online

The request form can be completed electronically via votebymail.ncsbe.gov. and submitted online through the portal.

A new request must be submitted for each election. **Exception:** Voters with a medical impediment(s) may check a box on the ballot return envelope (when voting in a Primary) to receive a ballot for all elections in the same calendar year. A new request is required for each calendar year.

Absentee Ballot Return:

- 1. Once the request has been received, the voter's ballot is issued and mailed to them.
- 2. The voter should complete the ballot and sign the envelope.
- 3. Absentee ballots require the signature of one notary public or two witnesses with the complete addresses of the witnesses. The notary public or two witnesses are attesting that the absentee ballot was completed by the voter but should not be observing how they vote. Anyone who is 18 or older can be a witness except a candidate (unless the candidate is a near relative or legal guardian).
- 4. Completed absentee ballots MUST be returned to the BOE office by 5:00 PM on Election Day or postmarked by Election Day and received three days after the election. Best practice is to ask the postal clerk for a hand-stamped postmark when returning an absentee ballot to verify time and date the ballot was mailed.
 - Completed absentee ballots MAY NOT be returned to a precinct on Election Day.
 - Completed absentee ballots MAY be accepted at any Early Voting site.
 - Voters who decide to either vote early or vote on Election Day, after requesting an absentee ballot, should destroy the absentee ballot they received.
 - Ballots cannot be retrieved or changed once they have been sent in and received by Elections Services.
 - Direct questions about military and overseas voting to the BOE office.

It is unlawful for any owner, manager, director, employee, or anyone other than a near relative or guardian to request an absentee ballot or serve as a witness on the return ballot envelope for a resident in a hospital, clinic, assisted living, or skilled care nursing home.

They may order the arrest of any person violating any provision of the election laws.

Voter turnout information will be available at 10:30 am, 2:30 pm, and 4:30 pm on Election Day. Campaigners are not allowed to go in the precinct to obtain this information. You may find this information on the Election Services website.

Voters may visit www.buncombecounty.org/vote for information on their registration, voting districts, location of Early Voting sites, dates and times of scheduled Board meetings and other election related materials. Getting Election Results!

- Downloading results and counting ballots are performed by Election Officials **ONLY**. All other persons, including members of the public, party representatives, candidates, and candidate representatives are prohibited from this task. No one is to interfere in any way with the downloading of results and the counting of ballots.
- One final tally sheet will be posted for public viewing at each voting place. Workers may not hand out or otherwise make copies of printed precinct tally results.
- Beginning at 7:45 PM on Election Day, election results will begin to be posted approximately every 15 minutes on www.buncombecounty.org as they are available.
- All campaign signs **MUST** be removed from voting sites within 36 hours after the polls close on Election Day. This is vital to maintaining good relationships with the facilities who provide a voting location to the voters in Buncombe County.
- To get the quickest **UNOFFICIAL** election results on Election Night visit our website, www.buncombecounty.org/vote. Results will not be finalized or official until after canvass is completed.
