A. Purpose:

Buncombe County is seeking candidates interested in providing geotechnical services for the replacement/repair of the athletic track at Asheville High School.

B. Project Summary:

Asheville High School is located at 419 McDowell Street, Asheville, NC 28801. The school is part of the Asheville City School system and currently serves grades 9-12. The athletic track at the school is deteriorated and currently unusable for sporting events. Services provided by the firm or individual must include, but are not limited to:

- Perform soil test borings and provide a report of the subsurface findings.
- Provide a site topographic and subsurface utility survey.
- Perform construction materials testing and special inspection services.
- Communicate and work with a design consultant throughout the project.

C. Submission Requirements:

- Letter of Interest – A letter of interest must be submitted giving the qualifications of the project team, including the firm history, individual resumes, current and completed projects over the last seven years.
 - Please provide a list of four completed studies, analyses, and/or design of similar projects within the last seven years which are relevant to the scope of the project as listed above.
 - Please list projects similar in size, scope, and complexity.
 - Demonstrate success with similar projects for local and state governments and public schools, preferably within North Carolina.
 - Provide examples of the past experience of key members of the proposed team on the projects itemized regarding the above.
- Provide an organizational chart and resumes which will address the following:
 - Name the Principal in Charge, Project Manager, and other individuals to be assigned to the project, providing for each the number of years of service with the company, number of years of professional experience, and educational background inclusive of professional certifications (if a joint venture, please list the above for each firm to be involved). Please indicate the number of persons employed by (each) firm. If the firm has multiple offices, please also list the number of persons employed by each office location proposed to provide architectural services for this project.

- For sub-consultants, inclusive of landscaping, surveying, engineering, civil engineering, or other key components, please list the names and addresses of each company, as well as the name of any individuals to be assigned to the project.
- Provide a list of the current workload of the firm(s), the individual workload of the Project Manager(s).
- Provide the office location(s) that will be handling the project.
- Deadline – One digital copy in .pdf format of the submission must be received by the Buncombe County General Services Department by 1:00 PM on Thursday, October 28, 2021. Email the submissions to generalservices@buncombecounty.org, pamela.king@buncombecounty.org, and ronald.lunsford@buncombecounty.org.

D. Qualifications:

- Interviews are not anticipated on this project.
- Applicants will be evaluated in conjunction with the anticipated needs of Asheville City Schools and Buncombe County and information provided by the applicants as well as information obtained from references, persons, or other sources identified by the applicant or otherwise known by the County.
- Candidates with prior similar work experience are urged to apply. Such experience includes, but is not limited to:
 - Experience in geotechnical studies for athletic tracks and facilities;
 - Experience working with the needs of public schools and local government.
