*National Child Passenger Safety Week*  
*September 16-22, 2012.*

- Do I have my child's car seat correctly installed?
- How long should my infant / toddler ride rear facing?
- Has your child's safety seat been recalled?
- How long does my child need to stay in a car seat or booster seat?

We can help answer these and other questions you may have about child passenger safety. Motor vehicle crashes are the leading cause of death for children ages 1 to 13.

**Buckling up can reduce injury!!**
