

LET'S TALK OPIOIDS.

OCTOBER 28
5:30 - 7:30PM
U.S. CELLULAR CENTER
ASHEVILLE, NC

COMMUNITY UPDATE AND CONVERSATION ON OPIOID CRISIS RESPONSE

The public is invited to a panel discussion and Q&A session with professionals who are on the front lines of substance use prevention, treatment, wellness, support, harm reduction, and recovery. We look forward to sharing community updates to include local solutions, efforts, and data trends.

Doors open at 5:30 p.m., and the presentation starts at 6 p.m. We invite you to arrive early to visit with community leaders and service providers who will be available for conversation and information sharing prior to the event. There will be light refreshments, and free parking is available in the Civic Center Parking Deck for those who attend, from 5 p.m. until the event is over.

For additional information go to buncombecounty.org/closer or email letstalk@buncombecounty.org.

PARTNERS AND CO-HOSTS

Complimentary event parking available in the Civic Center Parking Garage, located at 68 Rankin Avenue.
