COVID-19 VACCINE BROUGHT TO YOU!

You can get a COVID vaccine at home at no cost to you.

This is available to those whose age or health condition makes it difficult to leave their home, as well as members of their household and caregivers.

Buncombe County Health & Human Services will bring the vaccine to you.

Call the *Ready Team* at **(828) 419-0095** or email **ready@buncombecounty.org** to be added to the list.
