Community Health Improvement Process (CHIP):

2017 Year in Review

Buncombe County HHS and MAHEC working together to leverage the power of strategic partnerships, community informed aspirations and evidence-based intervention.

Buncombe County Community Health Programs 2017 Year in Review : SPRING

- Mia Bird Song Hosts a Community Conversation at Dianna Wortham Theaters
 - 3 Questions:
 - How were you brave?
 - How did you Fail?
 - How Did you show Love?

Results Based Accountability - 3 questions :

- To how were you brave we ask: how much did you do
- To How did you fail -we ask: Is anyone better off
- To How did you show love we ask: Is anyone better off?
