## PSA Release Recommended by Supervision Track

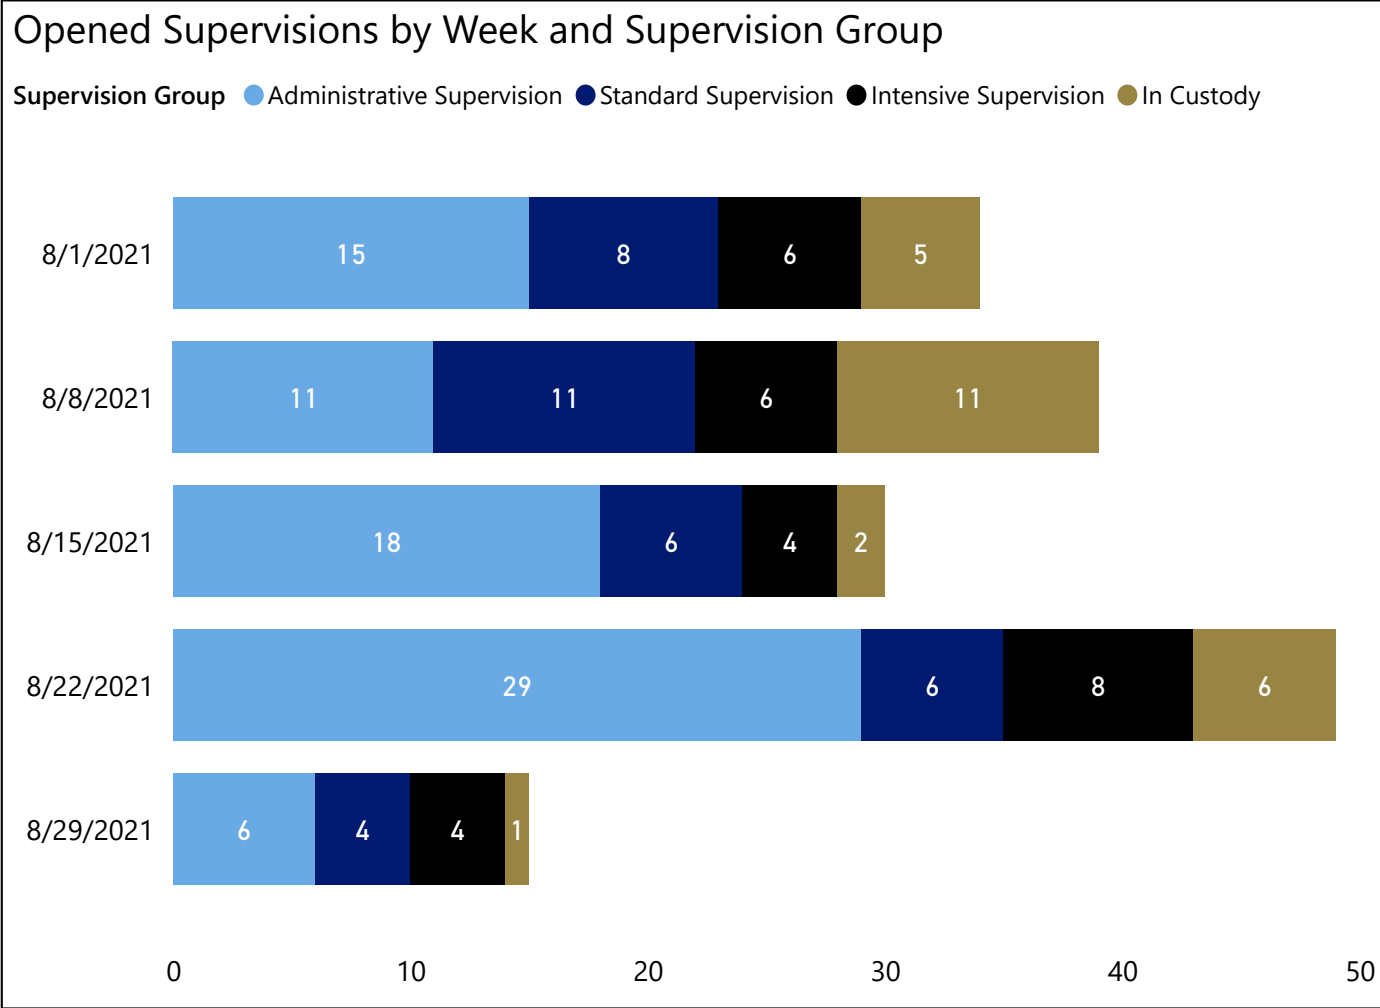

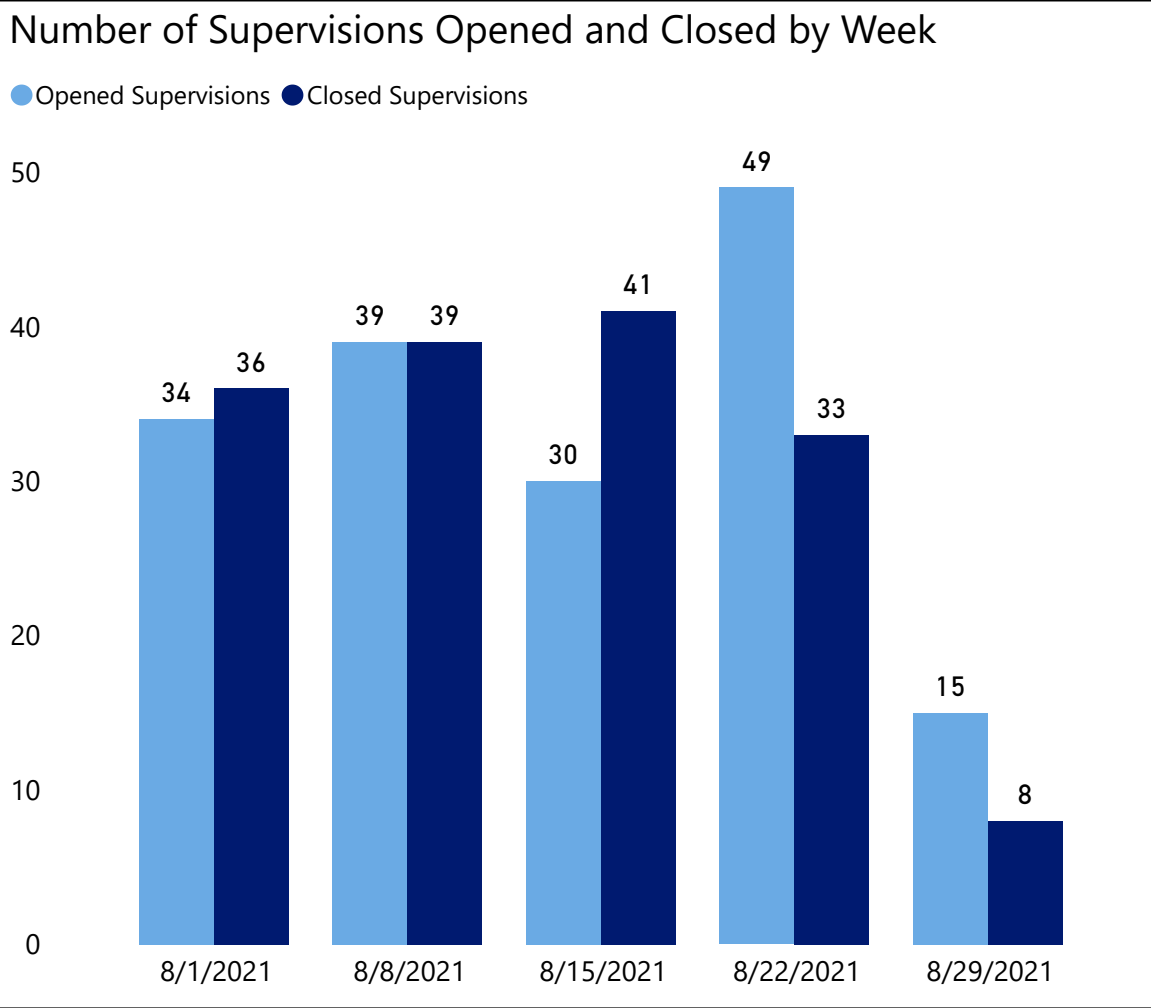

# August Referrals and Closures

**167** Supervisions Opened

**157** Supervisions Closed

A person can be referred to pretrial supervision by a district or superior court judge. They can be assigned to supervision on more than one charge or might not be referred to supervision for all pending charges. For the purposes of this report, a supervision is counted as one supervision regardless of the number of charges they have been referred to supervision for. For example, if a person has six pending charges in Buncombe County, and they have been referred to Pretrial on four of those charges, that is counted as one supervision.
