Census positions provide the perfect opportunity to earn extra income while helping your community. The results of the 2020 Census will help determine North Carolina’s representation in Congress, as well as how funds are allocated for federal programs; including but not limited to: Medicaid, highway planning and construction, Head Start, foster care, and more. This is your chance to play a part in history and help ensure everyone in our community is counted.

**PLEASE PASS THIS INFORMATION ALONG TO VOLUNTEERS AND COMMUNITY MEMBERS** that work with your organization to help make the Census in Western North Carolina as accurate as possible.

**Requirements:**

- Access to a vehicle and driver’s license (unless local transportation is available)
- Access to a computer with internet capabilities (to complete training)
