1. Purpose

The purpose of this policy is to govern the Recruiting and Selection of employees for Buncombe County Government (“the County.”) Buncombe County Government is committed to attracting, selecting and retaining a well-qualified workforce that encourages varied representation at all occupational levels. This policy provides a framework for County Hiring Managers, supervisors, and employees to navigate the recruiting and selection process. This policy will promote fairness, transparency, and compliance with laws and regulations.

2. Applicability

This policy applies to all Buncombe County departments and employees unless there is a conflict with GS 153A-103 related to hiring, discharging, and supervising employees. Such exclusion is noted at the end of this policy. Otherwise, departments may adopt and enforce policies that are more restrictive than County Policy.

3. Policy
