5.0 SCOPE OF WORK

6.0 GENERAL TERMS AND CONDITIONS
1.0 PURPOSE AND BACKGROUND
Buncombe County seeks proposals to provide a continuum of care to enhance public safety by reducing recidivism and fatal overdoses. The components are grouped by service area to include: Justice Service's Jail Diversion and Community Re-entry Team and then Emergency Service's Post Overdose Response Team (PORT) Peer Supports and Licensed Clinicians.

You may submit a proposal for one service area or for the full continuum of services. Proposals for any service area must include all activities within that service area. (See Section 5.0 Scope of Work.)

Individuals who have been released from incarceration or have a history of non-fatal overdose are at a higher risk of fatal overdose. Fatal overdoses not only affect the victim, but also negatively impact the health, safety and well-being of individuals, families, neighborhoods, and the community at large. By offering support and care linkage to those who have recently experienced an overdose or are returning to the community after incarceration, there is a greater likelihood of treatment engagement and risk reduction. Buncombe County seeks to continue and improve services currently available to enhance public safety by reducing recidivism and fatal overdoses.

Buncombe County and its partners deliver a robust continuum of justice related services including the Justice Resource Center, as well as several programs located in the judicial complex and community. In Buncombe County Justice Services department offers a wide variety of services, including three Treatment Courts, Pre-Trial Services, and Diversion Services. The portfolio of services for justice involved individuals spans across the spectrum of justice involvement: prevention; pre-arrest diversion; jail re-entry; pre-trial diversion; treatment courts; re-entry; and offender services.

In late 2020, Buncombe County established a Post Overdose Response Team. The Post Overdose Response Team follows up with a person who has recently overdosed, typically (e.g. within 24-72 hours of the overdose) to provide support, education, and connections to needed resources. PORT programs are a great opportunity to build relationships with people who use drugs in the community and create connections to offer a variety of wraparound health and social services, even if that connection occurs at a later time. These programs can be a lifesaving touchpoint for people who are often marginalized by society.

Proposals shall be submitted in accordance with the terms and conditions of this RFP and any addenda issued hereto.

Any material labeled as confidential constitutes a representation by the Vendor that it has made a reasonable effort in good faith to determine that such material is, in fact, a trade secret under G.S. 132-1.2. Vendors are urged and cautioned to limit the marking of information as a trade secret or as confidential so far as is possible. If a legal action is brought to require the disclosure of any material so marked

The representation and warranty in the preceding sentence shall survive the termination or expiration of The Contract.

19. CONFLICT OF INTEREST: Per N.C. General Statute 14-234, no public officer or employee who is involved in making or administering a contract on behalf of a public agency may derive a direct benefit from the contract. The statute defines "public officer" as an individual who is elected or appointed to serve or represent a public agency, other than an employee or independent contractor of a public agency. A public officer or employee is involved in administering a contract if he or she oversees the performance of the contract or has authority to make decisions regarding the contract or to interpret the contract; or if he or she participates in the development of specifications or terms or in the preparation or award of the contract. A public officer is also involved in making a contract if the board, commission, or other body of which he or she is a member takes action on the contract, whether or not the public officer actually participates in that action, unless the contract is approved under an exception to this section under which the public officer is allowed to benefit and is prohibited from voting.

There is a conflict of interest when a public officer or employee derives a direct benefit from a contract if the person or his or her spouse: (i) has more than a ten percent (10%) ownership or other interest in an entity that is a party to the contract; (ii) derives any income or commission directly from the contract; or (iii) acquires property under the contract.

20. CONFIDENTIALITY: Any County information, data, instruments, documents, studies or reports given to or prepared or assembled by or provided to the Vendor under The Contract shall be kept as confidential, used only for the purpose(s) required to perform The Contract and not divulged or made available to any individual or organization without the prior written approval by Buncombe County.

COMPLIANCE WITH LAWS: Vendor shall comply with all laws, ordinances, codes, rules, regulations, and licensing requirements that are applicable to the conduct of its business and its performance in accordance with The Contract, including those of federal, state, and local agencies having jurisdiction and/or authority.

22. ENTIRE AGREEMENT: This RFP and any documents incorporated specifically by reference represent the entire agreement between the parties and supersede all prior oral or written statements or agreements. This RFP, any addenda hereto, and the Vendor’s proposal are incorporated herein by reference as though set forth verbatim. All promises, requirements, terms, conditions, provisions, representations, guarantees, and warranties contained herein shall survive the contract expiration or termination date unless specifically provided otherwise herein, or unless superseded by applicable Federal or State statutes of limitation.

23. AMENDMENTS: This Contract may be amended only by a written amendment duly executed by the County and the Vendor.

24. NO WAIVER: Notwithstanding any other language or provision in The Contract, nothing herein is intended nor shall be interpreted as a waiver of any right or remedy otherwise available to the County under applicable law. The waiver
by the County of any right or remedy on any one occasion or instance shall not constitute or be interpreted as a waiver of that or any other right or remedy on any other occasion or instance.

25. **FORCE MAJEURE:** Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations as a result of events beyond its reasonable control, including without limitation, fire, power failures, any act of war, hostile foreign action, nuclear explosion, riot, strikes or failures or refusals to perform under subcontracts, civil insurrection, earthquake, hurricane, tornado, or other catastrophic natural event or act of God.

26. **SOVEREIGN IMMUNITY:** Notwithstanding any other term or provision in The Contract, nothing herein is intended nor shall be interpreted as waiving any claim or defense based on the principle of sovereign immunity or state or federal constitutional provision or principle that otherwise would be available to the County under applicable law.
