It is important that customers make their cart selection by **September 18, 2019.**

If you do not make a size selection, you will be opted in for the 96 gallon solid waste and recycle size cart. A change fee will apply after the selection deadline.

Waste Pro cares about service and is committed to providing Buncombe County with the service that we like to call the **'distinguishable difference'** in the waste industry.

Please be sure to visit our website and select your cart size TODAY!
